# TOURNAMENTS AT GRANITE RIDGE

Thank you for expressing interest in having **Granite Ridge Golf Club** host your tournament. We are located at the foot of the Niagara Escarpment, just north of the 401 in Milton.

We have put together this package to detail our tournament options to help you provide your guests with a fun and enjoyable day with us at **Granite Ridge**. We require a minimum number of 16 golfers to offer our tournament pricing.

**Granite Ridge** is a 36 hole facility, offering challenging layouts that can play up to 6500 yards. The architects were instructed to offer a user-friendly design with playability and tournaments in mind. Quick undulating greens, menacing water hazards and most of all superior customer service await you and your invited guests.

We at **Granite Ridge** are very proud of our facility and especially our staff's commitment to provide first class service at an affordable price.

**Granite Ridge** has a fully stocked Golf Shop with a wide range of name brand merchandise that is available to your tournament at discounted prices.
